Hi Robert—I spoke to the MassDEP. Our initial deadline is August 11. If you could get us your thoughts maybe by 8/4 that would give us time to integrate them with everyone elses. If this is too tight a schedule or if you have other constraints or problems, please let us know. Thanks!

Dave

Hi Angela:

Just to memorialize our conversation, EPA is of course very interested in commenting on the above subject document.

Per our conversation we will aim to comment to MassDEP by August 11, 2017. Vacation schedules might require a little more time but

We will aim for 8/11.

Thanks
